AN OLD RECIPE TO DARKEN HAIR

IT'S GRANDMOTHER'S RECIPE TO BRING BACK COLOR AND LUSTRE TO HAIR.

WE CAN turn gray, faded hair

beautifully dark and lustrous almost

over night if you'll get a 50 cent bottle of "Wyeth's Sage and Sulphur Hair Remedy" at any drug store.

Minions of bottles of this old famous Sage Tea Recipe are sold annually, says a well known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray, becoming faded, dry, straggly and thin have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and glossy—all dandruff gone, scalpitching and tailing hair stops.

This is the age of youth. Graying, unattractive folks are seen around, get away with Wyeth's Sage and Sulphur tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.
